THE CONWAY HOTEL

*The following article is a summary from a Nomination Form, which was submitted to The National Register of Historic Places in the early 1980's requesting that The Conway Hotel be placed on the National Register. The Conway Hotel is currently being renovated and plans are in progress to use the facilities as a Nursing Training and Vocational School.*

The Conway Hotel was built in 1913 by Builder/Architect, Mr. Falls and at the time of its construction was the finest and only brick hotel in Murfreesboro. For many decades, this building was the site of the most important decisions concerning the commercial and economic progress of Murfreesboro and Pike County, Arkansas.

In the history of Arkansas, the name Conway had a very prominent influence. A former governor and a city, carry the name. The Conway's of Murfreesboro date back to Dr. Joel H. Conway, Sr. In 1886, Dr. Conway built the Conway House, which was the only hotel at that time in the town of about 300 inhabitants. Continued development of the timber industry, growing agriculture, and one of the world's largest peach orchards only a few miles away, made Murfreesboro a town with potential.

June 1913 marked the beginning construction of a new brick hotel by W. J. Lockeby in Murfreesboro, then a town of about 600 people. This new hotel was sold March 6, 1914 to Dr. Joel H. Conway, Sr. Several years later, the Conway House burned and the new hotel remained as the finest in town. It was named the Conway Hotel and was called "The New Conway" by many local people as a means of differentiating it from the Old Conway House.

Conducting the business of The New Conway Hotel became the responsibility of Joel H. Conway's son, Grover and his wife, Annie. Grover Conway married Annie in 1907 and they had two children, Allene and Joel H. Conway, Jr. Grover and Annie Conway were divorced in 1917.

Grover Conway then married Edna Thomason. Grover and Edna lived in and managed the hotel until Edna's death in April 1927. Grover Conway, then married Irene Fagan, who moved to the hotel and continued to work there for many years.

Meanwhile, Annie and her children moved to Texas but returned to the hotel in 1919. Annie eventually met a miner named M. J. "Scotty" Bunison. Mr. Bunison was employed by Arkansas Diamond Company of Murfreesboro, as general foreman in 1921 and 1922. Arkansas Diamond Company was involved in commercial mining of diamonds during this time and Mr. Bunison was in charge of setting the mill for the project. "Scotty", as Mr. Bunison was called, and Annie were married. Thus Mr. Bunison became permanently involved with the Conway Hotel.

Mr. & Mrs. Bunison moved to California and resided there for several years. After the death of Joel H. Conway, Sr., and because of the irresponsibility of Grover Conway, the Bunisons returned to Murfreesboro and assumed management of the hotel in 1933.
THE CONWAY HOTEL
An agreement was signed 01 July 1933, making the Conway Hotel an agent for the Western Union Telegraph Company. This was an important communication link for the citizens of Pike County. At this time, few people had telephones in their homes and telegrams were generally used to send long distance messages. This service continued on through the 1950's.

Continued interest in mining and the success in this area of mineral prospectors brought many interested persons to Murfreesboro. The Conway Hotel was their headquarters. Conversations in the evenings centered around the "finds of the day" of the many hopeful prospectors. Rich veins of cinnabar were found north of Murfreesboro. Cinnabar is an ore from which mercury or quicksilver is extracted. Uses of mercury include thermometers, mirror backings, and submarine batteries. As early as 1934, serious interest in mining cinnabar was shown by H. W. Gould and Company of San Francisco, California.

The National Quicksilver Corporation of Murfreesboro, Arkansas was formed and stock in the company was made available to the public beginning 12 July 1910. Mining became a major industry providing employment for many people.

W. J. "Scotty" Bunison was killed on 10 December 1940 in an automobile accident near Murfreesboro but "Miss Annie" continued to manage the hotel.

Cinnabar mining continued and The Mercury Corporation was formed in early 1943. Mr. H. G. Ainsworth was a resident of the Conway Hotel and the business of The Mercury Corporation was transacted from The Conway Hotel. Mr. Ainsworth had mined privately prior to forming the corporation. The employees of The Mercury Corporation were from various parts of the county and the economy of areas other than Murfreesboro were improved.

Flooding along the Little Missouri River, three miles west of Murfreesboro became an increasing problem for this area. The need for a dam for flood control was pressing. Narrows Dam was begun in 1948 and dedicated in 1950. This dam, located about 6 miles northwest of Murfreesboro, at a narrow place in the river, is the direct result of the efforts of Mr. M. W. Greeson of Prescott, Arkansas. Mr. Greeson, a prominent timberman, owned the railroad that served Murfreesboro. His name frequently appears on the guest register of the Conway Hotel for the 1940's. Many meetings concerning the construction of the dam were held at the Conway Hotel. Today, Lake Greeson is a major tourist attraction, offering swimming, boating, and fishing. Daisy State Park is located at the north end of Lake Greeson.

For many years, The Conway Hotel was the station for several commercial bus lines, including Continental Trailways, serving Murfreesboro.

After the death of Annie Conway Bunison, The Conway Hotel was sold on August 24, 1967, by Allene Conway Lowe of California to the present owner. The business closed in 1974.

EVERTON'S GENEALOGICAL WORKSHOP
PCAHS members will be disappointed to learn that the planned Everton's Workshop will have to be postponed until further notice. PCAHS was in hopes that a spring or summer Workshop could be arranged, however, it appears it will be next fall or possibly next spring before the arrangements can be finalized. PCAHS is sorry for this delay but it was unavoidable. Please keep watching future issues of "THE GEMS" for definite plans about this interesting workshop.
NOTES FROM YOUR EDITORS

The PCAHS editorial staff would like to apologize for the delay in publishing the Spring 1991 issue of "THE GEMS". We hope this does not happen again but since we are an all volunteer organization, it is sometimes impossible to find the time to stay on "schedule". Please accept our apology for the delay and try to be understanding when we are not always "on time".

PCAHS has been fortunate enough to receive a donation of 71 rolls of microfilm from Mrs. Irene Choate Williams of Jackson, Tennessee. Mrs. Williams, a professional genealogist, is a descendant of Thomas Kyle Choate. Thomas Kyle Choate had a large family and two of his sons, John Dillon Choate and Peter Joseph Choate, eventually migrated to Pike County, Arkansas. Mrs. Williams has published two volumes of "CHOATES OF THE SOUTH - DESCENDANTS OF CHRISTOPHER CHOATE OF MARYLAND" and is also the publisher and editor of a bi-annual publication, titled "CHOATES OF THE SOUTH" which contains information about the descendants of Christopher Choate of Maryland and other interesting facts about the CHOATE surname. In this issue of "THE GEMS", you will find an article written by Irene Choate Williams regarding John Dillon Choate and Peter Joseph Choate.

The 71 rolls of microfilm which was donated by Mrs. Williams contain many early census records of the United States. "THE GEMS" will publish a complete list of the microfilms in an upcoming issue.

A simple——THANK YOU, IRENE——does not begin to express our gratitude to Mrs. Williams for her generosity but until someone thinks of a better way, this will have to do. We really appreciate your kindness, Irene and a MILLION THANKS (or at least 71) for thinking of PCAHS.

PCAHS is also very grateful to Vice President, Mrs. Bobbie Hendrix and Harrison Gilmer, life members for very generous donations to the Archives for the purpose of purchasing microfilms and publications. We also wish to acknowledge every donation our members have contributed and express our thanks and appreciation.

PCAHS welcomes any and all donations of material or money to our Archives. The donations are tax deductible and you will be helping preserve Pike County's past.

NEW PUBLICATIONS AVAILABLE
1840 - 1850 PIKE COUNTY ARKANSAS U.S. CENSUS

PCAHS life member, David L. Kelley, has transcribed the 1840 and 1850 Pike County Arkansas U.S. Census and has donated his work to PCAHS. These Census records will be available for sale through PCAHS and all proceeds will go to the Archives to purchase materials. Mr. Kelley would like to annotate every family in the 1850 Pike County Arkansas Census and would appreciate any data which any of our members would be willing to share about their 1850 Pike County Arkansas families. The 1840 Pike County Arkansas Census (this will NOT be an annotated copy) is available for $5.00 and the 1850 Pike County Arkansas Census (this will NOT be an annotated copy) is available for $10.00. The annotated version of the 1850 Pike County Arkansas Census will be an ongoing project and will be available at some time in the future.

Mr. Kelley has also donated the 1850 Pike County Arkansas Mortality Schedule and the 1850 Pike County Arkansas Slave Schedule.

At present, Mr. Kelley is compiling a collection of Pike County Family Bible records. These records are copies of the original and a copy of these records will be on the PCAHS Archival shelf when completed. Do you have an early bible record that has not been shared with Mr. Kelley? He will be happy to include your bible records in this compilation if you will send him legible copies. If you have such records to share, please contact Mr. Kelley.

PCAHS was extremely delighted to have David Kelley attend our regular May meeting in Murfreesboro. David is a "walking encyclopedia" of early Pike County history and PCAHS is most appreciative of Mr. Kelley.

ACTIVITIES

Inventory and Clean-up of Pike County Archives and History Society

Several members of PCAHS meet on Saturday, March 2, 1991 to work and inventory the books in the Archives and the third floor jail of the Murfreesboro Courthouse. Those present to start this 1991 project were, Dee Baggett, Dora Bean, Jan McGalliard, Dorothy Partain, B. J. Sparks of Lynnwood, Washington, and Linda Wilson.

Due to the many wasps which had invaded the third floor jail, we were unable to accomplish the clean-up of the jail.

B. J. Sparks and Linda Wilson bought insect “bombs” to rid the third floor jail of at least a “bushel basket” of wasp. This probably sounds like we are exaggerating but the amount of wasps which had “taken over” the jail was astounding! For those of you who are not aware of the fact, PCAHS has most of the old Pike County records stored in the third floor jail, due to the small area which is available to us in the Archives.

Pike County Judge, Curtis Turner and County Clerk Diane Henderson, graciously arranged for workers to remove some of the old record books from the second floor jail, to the third floor.

Since we were unable to work in the third floor jail, we proceeded on upstairs to the Archives and went to work.

Dora Bean purchased cleaning cloths, detergent and masks to use for the cleaning of the old records. We could have possibly accomplished more if a few of the people had cleaned more vigorously rather than reading “interesting tidbits” from the old record books but we would not have had half as much fun. At one juncture, Dora, B. J., Dorothy and Linda were found on all fours reading about something that had happened at the turn of the century, naming one of B. J. Sparks’ distant relatives. B. J., these “unusual characters” make colorful stories when we write our family histories! But even these interesting old records could not keep this group from missing lunch at the Pizza Shack across from the courthouse. The lunch was great but we “gobbled” everything down so we could get back to “digging and cleaning”.

Dee, B. J. and Jan rearranged the office portion of the Archives to utilize the space more efficiently. A small oak table was located in the third floor jail but was in disrepair. Linda Wilson took the table home with her and refinished it beautifully. This table will be used for the PCAHS typewriter.

Dorothy Partain and Dee Baggett, returned to PCAHS the following Friday and donated another six hours work rearranging book shelves and filing a backlog of correspondence. For any “silver fish” that love to burrow into old tomes, you missed a great activity. We found many treasures. If any of our members would like to help the next time we work, please let us know and we will contact you about our next “workfest”.

We are happy to report that many old records and books dating from 1895 thru the early 1900’s were cleaned and shelved. There are possibly as many as two hundred more books to be cleaned and shelved, not to mention individual early records to be cleaned and filed. Needless to say, the inventory was not completed nor was it possible to index and catalog these many books and records in one or two days.

On Tuesday, March 26, 1991, Dorothy and Dee meet at the third floor jail at 9:00 AM to clean and rearrange old records and books. After lunch, Dorothy’s husband, R. J., came to assist with moving heavy boxes and stacking large tomes, since Dorothy and Dee are both basically “fragile”. Linda Wilson joined the group after lunch and helped with the clean up in the jail. Linda had purchased needed supplies for the Archives and we worked in this area for a while.

Dorothy wants to report that the wasps on the third floor jail had dried so there was only a “peck” instead of a “bushel”. This of course, did not include the silverfish, spiders and the mice’s “calling cards”!

We are happy to report that we would not be ashamed for anyone to see our third floor jail, although there are still many hours of work ahead before it will be “perfect”. The next project in the jail will be the building of shelves in one of the cells. We will be unable to stack the remaining books, which amount to well over 150 large volumes, until the shelves have been built.

*Editor Note* June 1991 - Our volunteers have not been able to complete the shelving for the third floor jail; therefore the many volumes of books are still on the floor of the jail and have not been cleaned or inventoried. THE GOOD NEWS IS…..the air conditioner for the Archives has been ordered and should be installed soon.
THE PIKE COUNTY, ARKANSAS CHOATES
by Irene Choate Williams, 16 Dawn Place, Jackson, TN 38305

The 1850 census of Pike Co., AR lists two CHOAT (CHOATE) families. These two CHOATE men are brothers, John Dillon CHOATE and Peter Joseph CHOATE. They were sons of Thomas Kyle CHOATE, who died in Lawrence Co., TN in 1837 and Elizabeth RENFRO.

Elizabeth RENFRO CHOATE died and Thomas Kyle CHOATE had remarried so when he died most of his sons left Lawrence Co., TN. John D. CHOATE and Peter Joseph CHOATE and others went to Tishomingo Co., MS. Apparently, John CHOATE married the first time around 1830 in TN, (no record has been found of this marriage), and had two sons James Anderson CHOATE and John Dillon CHOATE, Jr.

In Mississippi, John CHOATE, married Celia or "Cesly" HUMPHREY or HUMPHRIES KELLY, the widow of ? KELLY. By her marriage to ? KELLY, Celia had three children, Alfred KELLY, Premby KELLY and Cassander KELLY. These children are listed on the 1850 Pike Co., AR census in the household of John CHOATE. Sometime after 1847, John and Cesly HUMPHRIES KELLY CHOATE moved to Pike Co., AR and they had the following children: Francis, Hetty M., Jucynthia Louise and Thomas S. CHOATE.

They are listed in the 1860 Polk Co., AR census. In the 1870 Polk Co., AR census, Celia HUMPHRIES KELLY CHOATE is listed with two of her children so apparently John CHOATE died in Polk Co., AR sometime before 1870. John CHOATE had the following children:

(1) James Anderson CHOATE, b. ca. 1831, md. 1st Hetty C. S. LYONS, 2nd ?, 3rd Martha BRISCOE.

(2) John Dillon CHOATE, Jr., b. 10 May 1837, md. Nancy Ann SPURLOCK.

(3) Frances M. (Marion?) CHOATE, b. June 1838, md. 1st ?, 2nd Sarah ?.

(4) Hetty M. CHOATE, b. ca. 1848, md. 02 Oct 1875 to Hezekiah DAVIS.

(5) Jucynthia Louise CHOATE, b. ca. 1850, md. James Isom HENRY.

(6) Thomas S. CHOATE, b. ca. 1853, md. Sarah A. DALRIMPRLE.

Peter Joseph (Joseph Peter) CHOATE was also in Tishomingo Co., MS for a while, went to AL, back into TN, MS and TX before going to Pike Co., AR where he is listed on the 1850 Pike Co., AR census and then to Polk Co., AR, on to Gonzales Co., TX and by 1880 he was in Karnes Co., TX.

In his travels, Peter Joseph CHOATE married three times. By his first marriage to Polly Ann ?, he had eleven children: William T., Martha A., James Moffroe, Franklin G., Sarah, Elizabeth, Richard, Hetty, Joseph Samson, John C., Francis M., and Victoria A. CHOATE. I understand that after he left his first wife these children no longer associated with him.

Peter Joseph CHOATE married second, Martha A. TILLERY on 28 July 1869 in Gonzales Co., TX. They had only one child, Andrew J. CHOATE.

Peter Joseph CHOATE married third, Sarah Ann RICHARDSON and they had the following children: Prudence, Ellen, Ephraim Crockett, Rufus C. and Samuel Berry CHOATE.

Peter Joseph had eleven children by his first wife, one child by his second wife and five children by his third wife. The total number of his children were 17 by the three wives.

In his later years, Peter Joseph CHOATE was known as "One Eyed Joe", so apparently, he lost an eye somewhere along the way.

*PCAHS Editors Notes* Your "GRMS" editor, Dee Baggett, is a descendant of Melissa Jane CHOTE WHITE PERRYMAN b. 19 Feb 1844 and is researching the CHOAT, CHOATE, CHOTE surname. Ms. Baggett will be happy to hear from anyone researching the CHOAT, etc. surname as she is interested in all CHOATES of the South. Another PCAHS member, Lucille REYNOLDS CHOTE of Hot Springs, AR is also researching the CHOTE surname.

Randy and Wilma V. Ranger of Olympia, Washington were visitors at the Pike County Archives in mid-June. The Rangers are PCAHS members and enjoyed "John Huddleston Day" in Murfreesboro. They were able to visit with R. J. and Dorothy Partain, as well as, made the trip to Amity to visit with John and Dee Baggett. Randy, an avid golfer, played a "few rounds of golf" with Dee's husband, John, while Wilma and Dee "dug up ancestors"!! Wilma shares some common ancestors with R. J. Partain and Dee Baggett.
